Does your child have any special considerations our staff need to be aware of? Please list and explain in detail.

Does your child have any allergies staff should be aware of? If so, what precautions need to be in place for your child? Please explain in detail.

To the best of my knowledge the special considerations and allergies that the USS Alabama needs to know about my child are listed above. I have also chosen the above-mentioned persons to be my child(ren)'s designated pick-up people, and will make sure they pick up at 3:00pm.
